FEAST YOUR EYES *about us*

OUR CATERING

Feast Your Eyes Catering is a premier catering company based in Philadelphia's Fishtown neighborhood. Founded in 1982, Feast Your Eyes provides full-service and drop-off catering for events of all sizes and styles. Whether you are planning your wedding or an epic corporate event, Feast is your go-to for all occasions.

Our team focuses on the **entire event experience**, making sure that the design, service staff, and menu all work together to elevate your special event. With our pulse on the global culinary scene and a team of chefs that come from diverse backgrounds, we're able to combine the best of international fare with our favorite Philly trends. While we aren't a traditional restaurant, our standard is to provide similar, high-quality designed dishes. We encourage our clients to demand the same expectations when planning an event for 1,000 as they do for a dinner of 10 at a five-star restaurant.

MENU PERSONALIZATION

-  We love creating dishes from around to world to capture the culture of our clients. For one Appleford client, incorporating Filipino foods was important for their extended family members. The menu included Lumpia Spring Rolls, Lechon Kawali, Chicken Adobo, Pancit Stir Fry Bihon Noodles, and Pandesal Bread.
-  Some clients want a non-traditional wedding, including a staff favorite who wanted an all-day brunch style wedding. We had fun creating this outdoor brunch with various food stations throughout the day.
-  When inviting your family from around the world to your wedding in the US, you might want them to have foods they are familiar with. For one multi-cultural wedding we incorporated authentic foods from Chinese culture including a seafood birds' nest with fried rice noodles.

OUR VALUES

Commitment to Quality. We pride ourselves on quality without compromise to deliver outstanding food, presentation, and service for every event that we execute.

Fair & Honest Pricing. Here at Feast Your Eyes, we don't believe in hidden service fees in the fine print. We offer fair and competitive pricing up front for all budget ranges.

Inclusivity. We are committed to providing an inclusive and welcoming environment & service for all clients, regardless of sexual orientation, gender identity, age, race, color, religion, ethnicity, or disability.
